#### ディプロマポリシーとの関連

国際社会の知識	政策分析能力	英語コミュニケーション能力
●	●	●

#### ○Purpose

Students are expected to acquire a basic understanding of international law. They are encouraged to expand their perspectives, by making a legal analysis of international issues.

#### ○Course Outline

- The course is designed to provide students with a basic knowledge of international law in English. It will be conducted using a mixture of lectures and tutorials (discussions) and the students' presentations. Through the class, students are encouraged to obtain an essential legal perspective of international relations.

#### ○Teaching and learning methods

- This class is conducted only in English
- Non-native students can refer to textbooks in their own language.
- Students are to make a presentation and/or case analysis during the class.
